

American Valve Actuation Data Sheet

Please contact American Valve Sales for a quote at sales@americanvalve.com

Date: _____

Company Name: _____

Project: _____

Electric Actuator

Enclosure:	Voltage:	General Options	Control Options
Weather Tight	115 vac/1ph/60hz	Heater	Positioner:
Explosion Proof	24 vac	Brake	4-20 mA
Class _____	12 vdc	Position Indicator	0-10 vdc
Division _____	24 vdc	Manual Override	Relay (single)
Groups _____	460 vac/3ph/60hz	Potentiometer	Relay (double)
Submersible	230 vac/3ph/60hz	4-20 mA Feedback	Cycle Time Regulator
Other: _____	Other: _____	Transmitter	Timer
		Auxilliary Switches	Fail Safe
		Other: _____	Local Remote Station
			Other: _____

Pneumatic Actuator:

Action:	Air Supply:	General Options:	Control Options:
Air to Air	psig: _____	Beacon indicator	Solenoids:
Air to Spring		Limit Switches	NEMA 4
Fail-Closed		NEMA 4	NEMA 7
Fail-Open		NEMA 7	115 vac
		2-SPDT mech.	24 vac
		2-SPDT proximity	12 vdc
		4-SPDT mech.	24 vdc
		4-SPDT proximity	Positioner
		Potentiometer	Pneumatic
		4-20mA feedback	Electro-Pneumatic
		De-clutch manual gear override	Signal: _____
